

# Unveiling the Top 10 Turmeric Powder Drying Sterilization Machines (Updated 2024)

Detail Introduction :

Introduction

- 1.LINNHIGHTHERMGMBH-Germany
- 2.Loyal-China
- 3.Püschner-Germany
- 4.SAIREM-USA
- 5.SchaefflerTechnologiesAGCo.KG-Germany
- 6.SchniewindtGmbHCo.KG-Germany
- 7.SummitProcessSolutions-SouthernAfrican
- 8.TERALBAINDUSTRIESPTYLTD-Australia
- 9.Thermex-ThermatronSystems-USA
- 10.WELDOTHERM-Germany

Conclusion

## Introduction

The demand for efficient and advanced turmeric powder drying and sterilization machines has soared, driving innovation in the industry. This article unveils the top 10 companies leading the field with their cutting-edge Turmeric Powder Drying Sterilization Machines. From loyal Chinese manufacturers to renowned German and American innovators, these companies are revolutionizing the turmeric processing landscape.

## 1. LINN HIGH THERM GMBH - Germany

LINN HIGH THERM GMBH, based in Germany, boasts a legacy dating back to its founding in 1952.

The company's main products include Industrial Microwave Dry and Sterilize Turmeric Powder Dryer and Sterilizer, and Turmeric Drying Sterilization Machine.

## 2. Loyal - China

Established in 2005, Loyal has grown to be a major player in the food processing industry. Hailing from China, the company has expanded its global presence, showcasing a commitment to delivering efficient and reliable turmeric powder drying and sterilization solutions.

Loyal Industrial high tech microwave heating equipment is summarized by a number of industrial microwave system technical engineers who have more than ten years of non-microwave heating and thawing equipment experience. Loyal industrial microwave heating equipment has a number of microwave heating in food processing technology patents. We can provide you with the most detailed formula and microwave heating in food processing process documents. Industrial Microwave Systems provides unique, patented, and specialized solutions for microwave heating and drying.

The company's main products include Industrial Microwave Dry and Sterilize Turmeric Powder Dryer and Sterilizer, and Turmeric Drying Sterilization Machine. source:<https://microwavedryer.net/>

### 3. Püschner - Germany

Püschner, founded in 1969, stands as a reputable name in the German market. Specializing in microwave heating and drying equipment for food processing.

The company's main products include Industrial Microwave Dry and Sterilize Turmeric Powder Dryer and Sterilizer, and Turmeric Drying Sterilization Machine. source:[Püschner's website](#)

### 4. SAIREM - USA

Operating from the USA, SAIREM has been a key player since its establishment in providing state-of-the-art turmeric powder drying and sterilization solutions.

The company's main products include Industrial Microwave Dry and Sterilize Turmeric Powder Dryer and Sterilizer, and Turmeric Drying Sterilization Machine. source:[SAIREM's website](#)

### 5. Schaeffler Technologies AG & Co. KG - Germany

## SCHAEFFLER

With a rich history dating back decades, Schaeffler Technologies AG & Co. KG is a

The company's main products include Industrial Microwave Dry and Sterilize Turmeric Powder Dryer and Sterilizer, and Turmeric Drying Sterilization Machine.
